

OPEESA Golf Tournament

Monday February 26, 2024 1:00 pm Shotgun Start

Golf Tournament Sponsored by

The 18-hole Rancho San Joaquin Country Club course in Irvine California, was designed by William Francis Bell in 1964. Set along a coastal inlet with four different lakes as a backdrop, Rancho San Joaquin is home to some of South Orange County's finest and most challenging greens. Players that are new to the game will find the wider fairways and accessible greens welcoming, while seasoned players will be challenged by the severe undulations in many of the putting surfaces and holes that reward precise strategy. The course is a Par 73, is 6,431 yards and has a Slope rating of 12.6.

Tournament Rules

This is a shotgun, 18-hole tournament; you select the best shot of your foursome and all play from that point. Teams are randomly assigned. There are prizes for the first-place team, closest to the pin for men and ladies and longest drive for men and ladies.

Registration

The fees are \$325 for each participant. The price includes box lunch, 18-holes, cart, tournament fee and chartered bus. Club rental is \$60. (You pay the course at the time of rental for the clubs.)

Golf is NOT onsite. We will be offering transportation (chartered bus), however you must pre-register for the bus. Will you be using our bus transportation. Please check: Yes No

Since we were delayed in sending out the golf registration you may have already registered for the meeting and indicated you would be playing golf. If that is the case, we have sent you the golf registration form and have asked you to fill it out and return to us. If you are registering for the meeting now, and are playing golf, please complete your Registration Form, check the appropriate box(es) for the golf tournament and include those fees with your payment to OPEESA. This sheet confirms your reservation(s) for golf and there are no refunds. We also use it to determine the foursomes and make sure the correct clubs are available for rental, as noted above.
