

A portrait of Alex Chausovsky, a man with dark hair and a mustache, wearing a blue shirt and a dark jacket. The background is blurred.

ALEX CHAUVOSKY

Director of Analytics & Consulting

Alex Chausovsky is a trusted resource and advisor for owners and executives of privately held firms and industry trade associations on analytical, economic, and business-oriented topics.

Alex is a highly experienced market researcher and analyst with more than two decades of expertise across industries such as automation, industrial technology, healthcare, business services and manufacturing. He has consulted and advised companies throughout the U.S. and Canada, Europe, South America, and Asia.

Alex has delivered more than one thousand presentations, webinars, and workshops to small businesses, trade associations, and Fortune 500 companies and is the go-to source of industry data and insights for hundreds of enterprises across a spectrum of industries.

Outside of work, Alex enjoys outdoor activities such as hiking, biking, and skiing, as well as international travel with his family.
